### FEATURED PORTS

**Sydney, Australia** – As your ship passes Harbour Heads, you are presented with the shimmering skyline of Sydney — hailed by many seafarers as “the most beautiful harbor in the world.” Two prominent landmarks, Harbour Bridge and the sail-like curves of the Sydney Opera House, grace the backdrop of this picturesque harbor.

**Port Douglas, Australia** – Port Douglas is a relaxed tourist destination that usually doubles in size with the influx of tourists from May-September. Although originally a mining town, its location between the Great Barrier Reef and the Daintree Rainforest makes it one of the country's top tourist destinations today.

**Melbourne, Australia** – With a population of 2.7 million people living in 59 separately named communities within 715 square miles, Melbourne is a sprawling city offering culture, art, fashion and friendly, sports-minded Australians. At the heart of the city is the Golden Mile, the city's governmental and commercial center, home to hotels, shops, restaurants and theaters.

**Cairns, Australia** – Cairns is one of Australia's hottest vacation destinations, boasting three of Australia's great natural wonders. Just offshore, immense bastions of living coral form the Great Barrier Reef. Sixteen miles of superb beaches stretch to the north of the city — the famed Marlin Coast. And inland lays the immense Daintree National Park.

## JOURNEY HIGHLIGHTS

**Sydney, Australia** - Australia's oldest and largest city was born in 1788 with the arrival of the "First Fleet" transporting 760 British convicts. Today, Sydney is the largest port in the South Pacific and is often voted the most popular destination in the South Pacific. Enjoy a tour capturing the history of Sydney, stunning architecture, spectacular harbour views and the world famous Bondi Beach. View the Opera House and the Harbour Bridge, and travel through Chinatown, Darling Harbour and the nightlife district of Kings Cross.

**Ayers Rock, Australia** - Rise early to watch the day's first light illuminate Uluru in a fantastic array of ever-changing colors. On the tour around the base of the rock, see ancient rock paintings and water holes and hear stories of Aboriginal legends. Enjoy activities including indigenous art markets, self-guided garden walks, bush yarns, cultural dance workshop, spear and boomerang throwing, wakagetti cultural dancers, and interactive didgeridoo playing.

**Port Douglas and Rainforest, Australia** - The picturesque mountain retreat of Kuranda Village is just 25km northwest of Cairns in Far North Queensland, Australia and is surrounded by World Heritage Rainforest. The original Kuranda Scenic Railway offers the old world charm of traveling in authentic timber carriages, gently meandering past breathtakingly beautiful scenery on a spectacular journey comprising unsurpassed views of dense rainforest, steep ravines and picturesque waterfalls within the World Heritage listed Barron Gorge National Park.

**Great Barrier Reef, Australia** - For an experience of a lifetime, you will explore the Great Barrier Reef aboard *Quicksilver* where a friendly and knowledgeable crew will take you to the very edge of Australia's Continental Shelf to an underwater world that is a dazzling kaleidoscope of color and brilliance. *Quicksilver* takes you to Agincourt Reef, a magnificent ribbon reef where you can experience first-hand the magic that is the Great Barrier Reef. You can choose to dive, snorkel, or stay dry and explore the stunning reef from the comfort of a *Quicksilver* semi-sub, just three feet underwater. Watch the fish feeding from *Quicksilver's* unique underwater viewing platform and underwater observatory. You'll bring home a lifetime of memories from this living natural wonder.

**Milford Sound, New Zealand** - Described by Rudyard Kipling as the "eighth wonder of the world," Milford Sound was carved by glaciers during the ice ages. Breathtakingly beautiful, the fjord's cliffs rise vertically from the dark waters, mountain peaks scrape the sky and waterfalls cascade downwards, some as high as 3,280 feet. When it rains in Milford Sound, and it often does, those waterfalls multiply with magnificent effect. Despite being one of the most accessible fjords, Milford Sound remains quiet and still, bounded by steep cliffs and dense rainforest. Maori are believed to have discovered Milford Sound more than 1,000 years ago, returning seasonally to the fjord, collecting the much prized pounamu (greenstone).

**Temple of Heaven and Summer Palace, China** - Originally, the Temple of Heaven was the place where emperors of the Ming Dynasty and Qing Dynasty held the Heaven Worship Ceremony. The Summer Palace was built in 1750 and was a lakeside oasis where the royal court could escape the dust and heat of the Forbidden City in summer.

**Great Wall, China** - Built as a fortification against Mongolian invasion of the capital, this is a great symbol of ancient Chinese engineering and one of the world's most famous structures. You will have the opportunity to climb either the north or south face of the wall. You will also visit the Sacred Way, entrance to the sacred Ming Tombs, burial grounds to 13 of the 16 Ming emperors.

**Hong Kong, China** - Neon signs galore, dim sum, and amazing temples are a few of the favorite experiences in Hong Kong. Take in as much as you can of this thrilling city with its endless shopping and towering skyscrapers. Your agenda for Hong Kong should include Victoria Peak, an Aberdeen Fishing Village, the Man Mo Temple and Sheung Wan Dried Food and Herbal Market.

**Ho Chi Minh City, Vietnam** - Located on the edge of the Mekong Delta, this dynamic metropolis also features the ageless beauty of an ancient culture. French colonial architecture mixes with modern Asian influences, providing a diverse backdrop for the many motorbikes, scooters, pagodas, and street markets.

**Bangkok, Thailand** - Bangkok is a city of contradictions: high-rise buildings and popular clubs abound, but so do golden temples and lively street fairs.

## JOURNEY HIGHLIGHTS

**Desert Safari, UAE** - Leaving behind the hustle and bustle of the city, trained safari guides drive 4x4 vehicles over sand dunes, through the Dubai Desert Conservation Reserve, deep into the heart of the desert. A feast under the stars includes grilled meats, sweets and beverages at a traditional Bedouin-style camp.

**Thonburi Klong Tour including Temple of Dawn** - Among the best ways to explore Bangkok is by boat. A cruise along the Chao Phraya River - the city's lifeblood — and the canals of Thonburi reveal scenes at odds with the bustling, modern inner city. Visitors get a glimpse of the serene and simple lifestyle of riverbank dwellers. This picturesque view is what earned Bangkok the title of "Venice of the East." En route, stop at Wat Arun (Temple of Dawn), one of the most attractive temples in Thailand. Lunch at Supatra River House and Restaurant.

**Singapore** - This diamond-shaped island off the coast of Malaysia is also the smallest country in Southeast Asia. It's also one of only two cities in the world to have a significant rain forest within its boundaries. Here, you'll find more than 840 varieties of flowering plants and 500 species of wildlife. Boasting mouthwatering cuisine, incredible shopping, and a thriving arts scene, this island is an exhilarating blend of cultures.

**Ho Chi Minh City, Vietnam** - Located on the edge of the Mekong Delta, this dynamic metropolis also features the ageless beauty of an ancient culture. French colonial architecture mixes with modern Asian influences, providing a diverse backdrop for the many motorbikes, scooters, pagodas, and street markets. Stroll the wide boulevards of this city, formerly known as Saigon, and visit The History Museum, which houses artifacts from two thousand years of Vietnamese history.

**Hue/Danang, Vietnam** - In Danang, visit the intriguing Cham Museum, filled with wonderful artifacts of the Cham culture, and famed China Beach. But it is Hue, the former imperial capital that beckons. The Nguyen Dynasty founded Hue in the 17th century on the banks of the Perfume River. Today it sits as a massive open-air museum of temples, pagodas, palaces and tombs. Enjoy this imposing citadel protected by a moat and then take a river cruise for a view of the Tombs of the Emperors and Thien Mu Pagoda.

**Hong Kong, China** - City-state, deep-water harbor, darling of empires, engine of global finance, shopper's paradise, cinematic trend-setter, world's most vertical city. Watch the hardworking world of Aberdeen's junks and sampans. Rise above it all on the tram ride to the top of Victoria Peak. Hong Kong is where ancient herbal remedies mix with designer fashions, Buddhist monks mingle with businessmen, and Chinese traditions meet modern international capitalism.

### FEATURED DESTINATIONS

**Cape Town, South Africa** - Stylish, sporty and stunning... Cape Town is a gem, that's for sure. South Africa's Mother City is unlike any other destination in all of Africa: located on the coast, surrounded by mountains, this city is beautifully located and filled with glamorous sites, from beaches and dignified cafés to rolling vineyards.

**Cape Winelands & Stellenbosch** - The Cape Winelands offer lush scenery and full-bodied wines to sample. Known as South Africa's oldest wine route, nearby Stellenbosch Winelands also offers over 60 estates to visit. This region is also becoming well known for its viticultural research. The wine in this region was first suggested by Simon van der Stel, who first arrived in South Africa in 1679.

**Thornybusch Nature Reserve** - Adjacent to the famed Kruger National Park is the Thornybusch Private Nature Reserve. This reserve and Lodge was first built and operated in 1961. It's a great place to try and see the "Big Five," including elephants, rhinos, and other exciting animals!

**Johannesburg, South Africa** - Johannesburg is South Africa's biggest city and the capital of the Gauteng province. It first began as a 19th-century gold mining settlement. In the past, both Nelson Mandela and Desmond Tutu called it home. Mandela's home is now a public museum that visitors are encouraged to visit to learn about this influential and beloved man.

**DID YOU KNOW?**  
**Fun Facts About South Africa and Zimbabwe**

- South Africa has eleven national languages — including Afrikaans, English and IsiZulu
- South Africa's administrative capital is Pretoria, but the largest city in terms of population is Johannesburg
- The Atlantic Ocean and the Indian Ocean meet off the coast of southern South Africa
- Zimbabwe's name was derived from the fortified trading hub, Great Zimbabwe, which was built in medieval times and was used by the people of the 'Shona' tribe. The people of this tribe constitute about 70% of the country's current population

**Victoria Falls, Zimbabwe** - Victoria Falls, or *Mosi-ai-Tunya*, is a massive waterfall located on the border of Zambia and Zimbabwe. This UNESCO World Heritage Site was first seen by the Scottish missionary David Livingstone in 1855, and he named it after Queen Victoria. However, its indigenous Tonga name, which translates to 'The Smoke That Thunders,' is far more apt, as the spray that emits from these falls looks like smoke.

## JOURNEY TO SOUTH AFRICA & VICTORIA FALLS

**Departs September 24, 2017**

Spend thirteen days exploring the incredible variety that South Africa and Zimbabwe have to offer: the complexity of its history, the romanticism of its wildlife and its varied landscape. You will begin your Journey in Cape Town, a city with a rich history and impressive scenery. Travel to the top of legendary Table Mountain and explore other city highlights. A moving visit to Robben Island will give you first-hand insight into Nelson Mandela's island-prison. Travel to world-renowned Stellenbosch for a day exploring South Africa's increasingly prestigious wine industry. And then it's on to a Safari at Thornybush Nature Reserve, adjacent to Kruger National Park. You will participate in six exhilarating game drives, where you will have the possibility of seeing Africa's "Big 5," the lion, elephant, buffalo, leopard and rhino. Chances of viewing wildlife are high, as September is typically the best month of the year for spotting wildlife in South Africa. Journey on to Johannesburg, where you will see the place that served as a catalyst for the ending of Apartheid and glimpse South Africa's vibrant modern society. Next on to Zimbabwe, where you will explore one of the Natural Wonders of the World — Victoria Falls, and more!

## JOURNEY HIGHLIGHTS

**Cape Peninsula, South Africa** - Your tour begins with drive past the pristine beaches that lead this area of the continent to be dubbed the “Fairest Cape”. Meander along the coast to Hout Bay, a functioning harbor nestled among the hills of the region. Weather permitting, you will take a ferry ride from the Bay around Seal Island. Watch the hundreds of Cape Fur Seals who live on the island frolic in the water or sunbath on the rocks. Once back on land, continue to a tea-bag craft shop. This shop started as a project whereby people from the local village were taught how to create quality products such as candle holders, stationary trays and greeting cards using recycled teabags. The products became so popular they now have shop where the artisans can sell their products. After leaving the shop, you will continue to Chapman’s Peak Drive, one of the most breath-taking views in South Africa. This winding road hugs the cliffs giving panoramic views of the ocean as well as the Cape of Good Hope Nature Reserve. Here you will ride up on the funicular for a truly magnificent view.

**Thornybush Nature Reserve, South Africa** - Located within the 34,600 acre (14,000 hectare) wilderness adjacent to the Kruger National Park, Thornybush Nature Reserve offers an extraordinary safari experience where the wildlife roams freely in their natural environment. The possibilities of Game sighting are simply unparalleled, including the much-sought-after ‘Big 5’ (Lion, Elephant, Cape Buffalo, African Leopard, and Black/White Rhinoceros). After lunch and time to relax after your trip, head out for an afternoon game drive with fellow lodge guests. Your first game drive will continue into a night drive where you will search for nocturnal animals such as lion, leopard, hyena and jackal.

**Johannesburg, South Africa** - After breakfast at your hotel you will be collected for your tour of Johannesburg. You will begin with a tour of the South Western Township, known primarily as Soweto. This area gives a glimpse of vibrant modern life in South Africa, while giving fascinating insight its history of oppression and the uprising that caused this township to take its place on the World-Stage. Visit the Hector Pieterse Museum and learn more about the tragic riots which lead to his death. Then continue on to Nelson Mandela’s former home, which is now a museum paying tribute to his incredible life of sacrifice and service to the people of South Africa.

**Victoria Falls, Zimbabwe** - One of the Seven Natural Wonders of the World, Victoria Falls is truly as astonishingly magnificent as it is powerful. Throughout the morning you will move to several different vantage points to get a perspective of just how spectacular The Falls are. The thunderous noise as millions of gallons of water surge over the precipice into a series of narrow gorges truly provides one of Nature’s most spectacular shows. After your visit to the Falls you will continue to an interactive visit to a local village where you can learn about traditional Zimbabwean life and culture. ## JOURNEY TO IRELAND, SCOTLAND AND THE ENGLISH COUNTRYSIDE

**Departs July 18, 2017**

Explore the stirring coastline, rich history and idyllic countryside of the United Kingdom and Ireland. Begin your Journey in London with a welcome dinner to meet your fellow Enrichment Journey travelers before embarking on the *Azamara Journey* for a cruise through England, Wales, Ireland, Northern Ireland and Scotland. After disembarking from your cruise in Edinburgh, you will visit parts of Hadrian's Wall and cross into northern England. Feel the winds of the North Sea and imagine Vikings landing on the beaches as you discover the coastal Bamburgh Castle. Stroll through the formal gardens of Alnwick, then take in breathtaking views of the mountainous Lake District. In York you will visit the brooding Yorkshire Moors, Castle Howard, the fabled Sherwood Forest and Nottingham Castle. In Stratford-upon-Avon you will visit Shakespeare's birthplace, enjoy a traditional English Afternoon Tea and visit Warwick Castle. Your Journey concludes with a visit to Blenheim Palace, one of the grandest estates in the country, and Oxford University before returning to the bustle and sophistication of London.

## JOURNEY HIGHLIGHTS

**Northumberland, England** - The first stop will be at Bamburgh Castle, known to have existed since at least 547AD. An imposing fort on the coast of the North Sea, it is one of the most iconic sites in Northumberland. After lunch on your own, you will visit the famous Alnwick Garden. This vast formal garden sits adjacent to Alnwick Castle, the Seat of the Duke of Northumberland. You will then continue to Chester's Roman Fort, a segment of Hadrian's Wall. Ostensibly to protect Roman Britannia, in 122AD the Roman Emperor Hadrian began construction of a wall to extend the breadth of England. At Chester's Roman Fort you will have chance to explore the museum filled with artifacts found at the fort and elsewhere along the Wall.

**Stratford-upon-Avon, England** - You will delight in two of England's most important cultural exports — Shakespeare and afternoon tea. Begin with a tour of Stratford-upon-Avon and William Shakespeare's birthplace on Henley Street. As the third of eight children, William grew up in this house and returned to spend the first five years of his marriage to Anne Hathaway in the family home. Explore the house, garden, and specially commissioned artwork on this fabulously immersive experience. After touring the home, sit at a quaint café for a traditional Afternoon Tea as your lunch. With a scrumptious selection of sandwiches, cakes, scones served with jam, clotted cream and a pot of tea, this is truly an English cultural institution one cannot miss! After tea, you will visit Warwick Castle. Situated on the bend of the River Avon, this motte-and-bailey castle was an important military stronghold until the 17th century.

**Guernsey, the Channel Islands** - Guernsey is a self-governing British Crown Dependency off the coast of France, British by virtue of the Norman invasion of England in 1066, and the subsequent merging of the two territories. St. Peter Port overlooks the harbor, with rows of brightly painted houses, and terraced gardens. The island is ideal for rambles along cliff-side paths and through the bucolic interior.

**Liverpool, England** - A UNESCO World Heritage City, Liverpool combines a unique mix of contemporary and classic architecture, world-class events and attractions, and an unrivaled musical heritage. Its Premiership football, Rugby League club, championship golf and Aintree Racecourse make Liverpool a mecca for sports lovers, while the city's many exclusive independent boutiques, high street stores and unique gift shops also make it one of the leading retail destinations in England.

**Portree, Isle of Skye, Scotland** - Skye is known as the Misty Isle, its moods shifting in tandem with its fickle weather patterns. Cherished for striking scenery and Gaelic culture and history, it offers a landscape of rolling hills of heather and snowcapped mountains, rugged coastlines with waterfalls tumbling to the sea, and the green pastures of tiny farming villages. Castles abound, imposing fortresses silhouetted against the blue sky, and ruins keeps brooding in the mist. One, Dunvegan, is still the home of the MacLeods, and has been a stronghold of their clan chieftains for eight centuries.

## JOURNEY TO GENEVA, PROVENCE & SANTORINI

**Departs June 6, 2017**

Experience some of the most distinctive regions of Europe, each, in its own way, world-renowned. Cruise along the serene majesty of Lake Geneva, sample legendary wines on your tour through the vineyards of Southern France, and bask in the vibrant culture of Italy and the Greek Isles on this once-in-a-lifetime trip. After arriving in Switzerland, begin your Enrichment Journey with a cruise along Lake Geneva, providing sweeping views of the lake and magnificent mountain ranges. From Geneva you will drive to Lyon, a city as renowned for its gastronomical innovation as it is for its historical landmarks. Enjoy the opportunity to sample Lyonnaise cuisine and experience a cooking class. Continue to Provence with its rich history, stunning vistas and, of course, vineyards. Your tour of this region will be capped-off with a wine tasting at a vineyard in the celebrated Chateauneuf-du-Pape area. From Avignon you will drive to the coastal city of Nice for a farewell lunch before embarking your ship. Set sail aboard the *Azamara Quest*, and you will continue to yet more glamorous, sophisticated and historical cities.

## JOURNEY HIGHLIGHTS

**Geneva, Switzerland** - Explore Geneva's Old Town. Walk along the cobblestone streets, lined with cafes and quaint shops. The Old Town also encompasses a spectacular cathedral, museum and several other historical buildings and sites. Next, you will be whisked away for a scenic cruise on Lake Geneva. Glide along the peaceful Lake as you take in the truly spectacular and majestic views of the Alps and Jura mountain ranges.

**Lyon, France** - Lyon is a city as renowned for its history as it is for its cuisine, and today you will experience both. Enjoy a half-day sightseeing tour of the city and its many historical and architectural landmarks, making it a UNESCO World Heritage Site. This city is a testimony to more than two millennium of commercial and strategic significance, with Roman ruins, one of the most extensive surviving Renaissance neighborhoods in Europe and the soaring Basilica Notre Dame de Fourviere.

**Cuisine Lyonnaise** - Next, move onto Lyon's other great crown jewel, its cuisine. Considered the gastronomic capital of the world, Cuisine Lyonnaise is sure to delight even the worldliest epicurean. Nestled near two of France's greatest wine regions, Cotes du Rhone and Beaujolais, local restaurants have the perfect wine pairing to any number of Lyon's traditional dishes. As part of your Enrichment Journey you will not only get to taste the local cuisine but you will learn to cook it! In an authentic cooking class with experienced local chefs, you will learn several traditional Lyonnaise dishes, truly the perfect souvenir to impress your guest at your next dinner party.

**Avignon, France** - After breakfast, transfer via coach to Avignon, France. This city was truly a central stage upon which many political skirmishes of the European Middle Ages were played. The official residence of the Catholic Pope for almost 70 years, this city saw one of the greatest power-struggles of European history. During the Great Schism, the Catholic church had two claimants to the papacy; one pope in Avignon and another in Rome. This was a diplomatic crisis that divided Europe for almost 40 years. Your tour will take you through the 14th century architectural wonder that is Le Palais des Papes, the Avignon residence of the Pope. Revel in the magnificent views of the Avignon skyline and the Rhone River.

**Nice, France** - With streets full of colorful buildings, palm-lined boulevards, and a harbor of turquoise blue, you may feel like you've somehow stepped into a living painting when you arrive in Nice. And in fact, the clear air and soft light of the city has inspired some of the artistic greats like Chagall and Matisse—both of whom have museums dedicated to their works here. But no need to pinch yourself, Nice is just that nice.

**Santorini, Greece** - It's been said the sunset from Oia on the island of Santorini is the most beautiful in the world. But you don't have to wait until dusk to see your share of postcard-worthy views. Santorini is stunning any time of day. The capital, Fira, clings to the rim of the caldera 900 feet above the sea. Take the cable car—or if you're looking for a more authentic experience, giddy up on a donkey to climb the 588 zigzagging steps to the top. The white cobblestone streets bustle with shops, tavernas, and cafés perfect for sampling the tomatoes for which Santorini is renowned.

You'll gain some historical perspective with visits to Berlin, Tallinn and St. Petersburg, where the overnight call is sure to be one of the highlights of your journey.

## JOURNEY HIGHLIGHTS

**Hveragerdi, Iceland** - From Reykjavik, head south to the greenhouse town of Hveragerdi and the surrounding fertile farmlands, noting the numerous glacial rivers on route to Skogar and Skogafoss waterfalls. We visit with the farmers of Thorvaldseyri Farm located at the foot of the world famous Eyjafjallajokull volcano that last erupted in the spring of 2010. A visitor's center/family run exhibit was opened in spring 2011 where guests can view a 20-minute film about the spectacular natural event. Our next stop will be at the Skogar Folk Museum before continuing on, passing Solheimajokull Glacier to the black Reynisfjara beach.

**Kirkjubaejarklaustur, Iceland** - Experience Europe's Largest National Park and Glacier: Glacial Lagoon with Icebergs. We cross Eldhraun, the largest mass of lava ever to flow on the face of the Earth before reaching the small town Kirkjubaejarklaustur, a former site of a 12th-century Catholic convent. Venture onward to Skaftafell National Park, one of Iceland's most outstanding areas of natural beauty. We continue to the stunning Jokulsarlon Glacial Lagoon to see floating icebergs and possibly curious seals on an included boat ride. Throughout the day we are afforded magnificent views of the mighty Vatnajökull Glacier. Travel back to Vik for dinner and overnight.

**The Westman Islands, Iceland** - We travel along the south coast to Landeyjahofn harbor. After arriving at the pier at Bakkafjara, we take a 30 minute ferry ride to the Westman Islands. Once there, we will explore Heimaey, the largest island in the Westman Islands archipelago. Other adventures of the day include a visit to the puffins in Storfirdi, a walk up to the crater of a volcano that erupted only three decades ago, and exploring flora of the new lava field. Afternoon at leisure to explore the island on your own.

**Stockholm, Sweden** - The city, spread across 14 islands, exists as both a world capital of and a cultural icon often envied for its lifestyle. A cruise visit to the city uncovers the genius you might expect, manifest in the city's parks, waterways, and urban design. But there is also something more. Stockholm was designated a European Green Capital in 2010 and has become a global leader in sustainable urban living. So as you walk the streets and whistle softly at the view, consider you may be witnessing the birth of something hinting at the future of the planet.

**St. Petersburg, Russia** - Although reportedly built to resemble such Western cities as London, Paris, and Vienna, one look at St. Petersburg's regal palaces and vast public squares is enough to tell you that it is truly in a class of its own. The overnight call in St. Petersburg lets you immerse yourself in the city's cultural immensity. The Hermitage alone could overwhelm you. One of the world's great museums, it houses works by Titian, Dutch and Flemish masters, Michelangelo and Matisse, and the Peacock Clock.

**Copenhagen, Denmark:** Built on a series of islands, Copenhagen balances tradition and kinetic energy, while all the while the Little Mermaid statue keeps a thoughtful watch on the harbor. Capital city of the kingdom of Denmark since 1417, Copenhagen is a city in which the modern developments and old buildings are blended to form a thriving and harmonious environment.

## JOURNEY TO IRELAND AND THE AMERICAS

**Departs October 22, 2017**

According to historians, more than one half of the population of Ireland immigrated to the United States during the middle half of the 19th century, adding to the hundreds of thousands who came in the years prior. It is a fact that all of them made the passage by ship, many arriving in Boston and New York. On this unique Enrichment Journey you can share some of that experience as you join a 22-day journey that combines an escorted land vacation in Ireland with a 16-day Transatlantic crossing from Southampton to Boston, New York, and Bermuda before arriving in Florida. The journey begins with the warmth of an Irish Welcome as you spend five nights in Dublin “at home with the Irish.” Meet the owner of a pub established in 1595, and hear his story about the pub. Travel to the countryside and discover an ancient monastery. Learn about the history of Guinness as you pour yourself a pint. Meet an Irish farmer and his wife, and have lunch while you learn about their daily life. Spend time exploring Dublin and Belfast. Then travel to Southampton to board the *Celebrity Eclipse* as she cruises the Atlantic with considerably more comfort than was available 200 years ago, ending your cruise in Miami.

## JOURNEY HIGHLIGHTS

**North County Dublin, Ireland** - Arriving in Dublin you will be met and greeted by your Irish Tour Director. Your first call is for a tasty full Irish breakfast, which is included, in the quaint and traditional Irish pub called the "Man O War." Situated in North County Dublin, this ancient pub was established in 1595. The owner will give you the full history of this quaint pub and its interesting past. With its thatched roof, whitewashed walls and superb traditional-style bar, lounge and restaurant, the setting is a picture to behold.

**Dublin, Ireland** - Drive into the heart of Ireland's capital for an overview tour of the city. We will take a journey of discovery into the very heart of what makes Dublin the vibrant city it has become. You will be given a panoramic tour of the city pointing out the interesting public buildings, lovely parks, rows of Georgian houses with their brightly painted doorways, Trinity College, St Patrick's Cathedral, the city's museums and the regenerated South Bank. Then we will drive across the river Liffey and along O'Connell Street with its spire of Dublin, and more!

**County Wicklow, Ireland** - Depart Ireland for the short drive to the "garden county" of Ireland, County Wicklow. We will drive South from Dublin and pass under the shadow of the great Sugarloaf mountain which dominates the skyline. Though only 1645 feet high, its isolation from other hills, steep slopes and volcanic appearance makes it appear much taller than it is. Our first stop after a beautiful drive is in the heart of North Wicklow, the 12th Century monastic site of the old Saint from the 6th Century, St. Kevin.

**Glendalough** - Glendalough (or Gleann Da Loch, meaning 'The Glen of the Two Lakes') is situated in the midst of the Wicklow Mountains National Park and is surrounded by stunning scenery. The ancient monastery is fascinating, having been founded in the 6th Century by St. Kevin who chose the site because of its beautiful and remote setting in a glaciated valley with two lakes. The monastic remains include a superb round tower, stone churches and decorated crosses. The round tower is one of the most recognizable landmarks in the area.

**Boyne Valley, Ireland** - Drive to the placid, historical and scenic Boyne Valley through Slane. We will stop at a typical Irish family farm, that of Brendan Menis. We are privileged that Brendan and his wife have opened their farm for us as it is not used by any tour group. The farm is of a medium size and the entire family works the land here. Ireland as a whole produces enough food for 36 million people, an impressive statistic considering we are a population of less than 4 million! Lunch at the farm will be provided.

**Annagassan and Salterstown** - Explore these two sleepy villages along the coast where families work the soil growing potatoes and cereals, and fishing for a living. The rural pub of Seamus Darbys at the crossroads of Togher is our next stop. A natural and great storyteller regaling tales of old Ireland and their working day, Darbys is typical of the area where farmers came late at night for a drink and to share their stories.

### FEATURED PORTS

**Chilean Fjords (Scenic Cruising), Chile** - These are some of the most magnificent fjords in the world. As your eyes work their way up the jagged walls of mammoth glaciers, you may be rewarded with an Andean condor sighting. On the ocean's surface, the Magellan penguins always put on a good show.

**Punta Arenas, Chile** - The southernmost point on the contiguous South American continent, Punta Arenas overlooks the Strait of Magellan and Otway Sound, home to colonies of sea lions and Magellan penguins. It's also one of the few places on earth where you can snow ski while looking out over the ocean.

**Ushuaia, Argentina** - No city on the planet has more southerly latitude. As a result, the sun shines for 18 hours during each summer day, providing ample opportunity to view the mix of glaciers, forests and sea, all framed by Mount Martial to the west and Mounts Olivia and Cinco Hermanos to the east.

**Montevideo, Uruguay** - Uruguay is cattle country, and although Montevideo is a thoroughly modern city with a rich artistic tradition, the reach of the rural estancias is all around you. If ever there were a time you were inclined to indulge, delicious steaks are the specialties of the house in virtually every restaurant.

**DID YOU KNOW?**  
Fun Facts About  
South America

- Argentina is one of the leading producers of wines ever since the 16th century and has approximately 1,800 wineries
- By far the largest city in Argentina is Buenos Aires, with more than 13 million people. Overall, there are 42 million people in the country
- A staggering 88% of the Uruguayans are European descendants, which is very high as compared to quite a number of other Latin American countries
- Brazil is the largest country in South America and the only country in South America that speaks Portuguese

**Buenos Aires, Argentina** - Discover this elegant city with a tranquil cruise through the Tigre Delta past islands, mansions and English gardens. If only one word could be used to describe this vibrant and richly cosmopolitan city, it would be "mosaic." Stroll along these broad thoroughfares, like the Plaza de Mayo, where famed first lady Evita Perón led fervent crowds to petition for her husband's release from prison, or visit Pirámide de Mayo, the oldest of the city's many national monuments.

**Elephant Island, Antarctica** - Elephant Island is an ice-covered, mountainous island off the coast of Antarctica in the outer reaches of the South Shetland Islands. The island's name can be attributed to both its elephant head-like appearance and the sighting of elephant seals on its shores. It is on Elephant Island that Sir Ernest Shackleton and his crew sought refuge, floating on three small boats through mammoth icebergs and landing between steep cliffs.

**Sao Paulo (Santos), Brazil** - Journey inland to vibrant São Paulo, and see its modern skyscrapers and monuments, and visit the beautiful art museum. With 20 million people living here, this is the third largest city in the world. Or explore charming Santos and its extraordinary botanical garden, including an orchidarium with over 100 flower species and an aviary alive with macaws, toucans and parrots. Take a scenic drive to Guarujá, and visit the resort town's fascinating aquarium.

**Rio de Janeiro, Brazil** - Rio de Janeiro resists all adjectives. Even if you get that absolute vista from the top of Corcovado Mountain, you'll still thirst for more — for the taste of an acai berry drink, the pulse of samba, and the feel of the Atlantic on your toes. Enjoy a scenic cable car ride to the top of Sugarloaf Mountain for its renowned view. Visit the lush botanical gardens, see famed Ipanema and Copacabana beaches, and take in a thrilling samba show.

On this unique Enrichment Journey, you might be overwhelmed by the emotion of these images or equally thrilled by the sheer power and majesty of Iguazu Falls. You'll begin your journey in Buenos Aires, a city as unique to South America as Paris is to Europe. Experience the rich artistic history of Montevideo, Uruguay, before returning to Buenos Aires and your return flight home.

## JOURNEY HIGHLIGHTS

**Buenos Aires City Tour, Argentina** - Begin in the Retiro neighborhood and make your way past the city's top landmarks and through its most popular neighborhoods. Head to Plaza de Mayo, the political hub of Buenos Aires and home to Casa Rosada, the official office of the Argentine president. Next, discover Teatro Colón, a beautiful opera house built between 1889 and 1908. The theater stands near Plaza de la República, a square on Avenida 9 de Julio where you can see the Obelisk of Buenos Aires, a 1936 monument to honor the city. Continue to La Boca, Buenos Aires' most colorful neighborhood, where a European atmosphere has remained strong since the neighborhood was settled by Italian immigrants.

**Argentine Tango, Argentina** - Be our guest at the tango venue in San Telmo. Deemed as 'living evidence of civic memory' by the Museum of the City of Buenos Aires, the venue is a truly historic site and will take you back to the tango heyday of the early 1900s. Sit back and prepare to be impressed by the passionate performances happening on stage. The show will take you from 1860 to the present, highlight the history of tango and Buenos Aires. While musicians sing and play the accordion, piano, violin and bass, four couples will show off their dramatic tango skills. They're some of the best dancers in town, so don't miss out!

**Buenos Aires Gaucho Experience, Argentina** - Enjoy a scenic ride through the Argentine pampas (plains) to an estancia (ranch), for a day of gaucho fun beginning with a friendly welcome reception including empanadas, wine and juice. Visit some of the ranch's attractions, including the museum and bakery, and then watch the gauchos saddle up the horses. Tuck into a delicious BBQ lunch including wine, soda, water and coffee and be entertained by a folkloric song and dance show. Later, go for a carriage or tractor ride, and then watch the gauchos show off their incredible horse-riding skills with ring races and other performances.

**Iguazu Falls, Argentina** - Experience a full-day tour on the Argentinian side of the Falls for close-up views of the Iguazú River. Traverse the lower and upper walkways for comprehensive views of the thundering falls. Walk along the trails that make their way through the 210-square-mile (543-square-km) reserve, and enjoy the various aerial and panoramic views of the falls. Embark on a boat excursion that takes you to the base of Iguazu Falls, allowing you to experience the power from below.

**Antarctic Cruising** - Take in the mesmerizing sights of massive ice flows, cresting humpback whales, waddling penguins, barking leopard seals, in their natural element as you cruise alongside this frozen continent.

**Stanley, Falkland Islands** - Capital of the Falklands since 1845, tiny Stanley lies on the windswept tip of East Falkland Island. The Falklands long served as a way station for ships, particularly whalers, bound to and from Cape Horn. The islands' rigorous environment is immediately apparent: Stanley Harbor is dotted with the hulls of vessels that succumbed to the fierce winds and waves of the South Atlantic. While their strategic location led to important roles in both World Wars, the islands are best remembered as the cause of the 1982 war between Argentina and the United Kingdom.

## JOURNEY TO ARGENTINA AND MACHU PICCHU

**Departs March 2, 2018**

Visit the legendary ruins of Machu Picchu, and experience the Spanish colonial cities of Buenos Aires, Lima and Santiago on this South America journey. Spend a night in Buenos Aires, the glittering capital of Argentina and home to the legendary tango! Then board a cruise that will take you all the way to the world's southernmost city, Ushuaia, via historic Cape Horn. Cruise the serene waters of the Chilean fjords, a hidden treasure few Americans have seen, before arriving at Valparaiso to continue your journey by land. Experience Chile's countryside and wine-growing region on your way to Santiago. Then travel onward to Peru's Sacred Valley. There, 7,000 feet above sea level and nestled on a small hilltop between the Andean Mountain Range, the majestic city of Machu Picchu soars above the Urubamba Valley below. The Inca-built structure has been deemed the "Lost Cities," and was unknown until its relatively recent discovery in 1911. Finally, visit Peru's capital cities of yesterday and today: Cusco, the former capital of the Inca Empire and later a Spanish colonial stronghold, and Lima, the modern capital once known as the "City of Kings," before returning home.

## JOURNEY HIGHLIGHTS

**Lima, Peru** - Visit the Main Square, the Presidential Palace, the Archbishop's Palace and the Lima Cathedral. Explore Saint Francis Church, which has an enviable collection of old books and an authentic network of catacombs open to the public. Explore the Larco Museum, located inside a mansion built on a pre-Columbian pyramid of the 7th century.

**Sacred Valley, Peru** - Experience a llama farm where local families show the traditional process of weaving and making garments. Then discover the Pisac citadel, known for the craft market established between colonial buildings and for one of the most impressive agricultural terraces and ruins in the valley. Enjoy lunch at Wayra Ranch, where rich soil and ideal weather have combined to create a feast, and view a stunning equestrian demonstration set to the rhythm of music.

**Machu Picchu, Peru** - Your tour to Machu Picchu begins with a two-hour train ride to Aguas Calientes. This town is also known as "Machu Picchu pueblo" and is the last stop before the entrance to the remains of the most important archaeological site in Peru. In Aguas Calientes you will find the railway station, a crafts market and restaurants. Finally, after a short transfer you will reach Machu Picchu, a masterpiece of engineering and architecture that many believed served as a sanctuary and retreat for the Inca Pachacutec. Machu Picchu, which means "Old Mountain," is considered a World Heritage Site by UNESCO and is one of the New Seven Wonders of the World.

**Cusco, Peru** - You will visit the fortress of Sacsayhuaman, a huge fortress built with large stones whose transportation still remains a mystery. Continue to Quenqo, an archaeological complex where it is believed that agricultural rituals were performed, and Puka Pucara, which literally means "Red Fortress." You will also visit the Temple of the Sun, once full with gold artifacts, and visit the Cathedral, the most important building on Cusco's Main Square with construction that lasted almost a century.

**Santiago, Chile** - You will visit the major landmarks in the city, such as Avenida Bernardo O'Higgins, Santa Lucia Hill, Barrio Lastarria, the La Moneda Palace, the Santiago City Hall, the Cathedral, the old financial district, and the urban park, Parque Forestal. Last, but not least, you will take a tour of the new financial district, located at the highest point in the city. This modern area sits in incredible contrast to Santiago's colonial landmarks.

**Valparaiso, Chile** - Your transfer to the coastal area includes a visit to a winery with wine tasting and lunch included and then a brief city tour of Valparaiso before embarking your ship. Valparaiso played a very important geopolitical role in the second half of the 19th century, when the city served as a major stopover for ships traveling between the Atlantic and Pacific oceans by crossing the Straits of Magellan. In 2003, the historic quarter of Valparaiso was declared a UNESCO World Heritage Site and a new national law named the city "Chile's Cultural Capital."
